

# Colorado Springs Mountain Lions

Dear Community Member,

Colorado Springs Mountain Lions is a non-profit baseball organization in the greater Colorado Springs area. (EIN 82-4118470)

Our mission is to promote self-esteem, self-respect, and self-confidence through boy's competitive baseball.

- **Physical activity, and sports in particular, can positively affect aspects of personal development among young people, such as self-esteem, goal setting, and leadership. (GAO, 2012).**
- **Athletes are more likely than non-athletes to attend college and get degrees; team captains, MVPs achieve in school at even higher rates (US Dept. of Education, 2005).**

We invite you to become a sponsor of our organization with a contribution. We are a non-profit organization. Your sponsorship goes directly towards team expenses, including tournament fees, uniforms, equipment, and travel expenses. Players and their families also contribute significantly from their own finances and via numerous fundraising activities, but your sponsorship will help make it more affordable for our families. Our ENTIRE organization are volunteers! Our coaches do not get paid. 100% of the money brought in goes right back to our kids/teams.
